Notice of Final and Eternal Restitution

Let it be known throughout all realms, both seen and unseen, temporal and eternal, that this Notice of Final and Eternal Restitution is issued in Sovereign and Ecclesiastical Authority, by Divine Right, and under the Eternal Covenant of Love, Peace, Grace, and Truth. This issuance is made with full authority of the Sovereign Ecclesiastical Trust, standing as the Eternal Government and Divine Custodian of All Creation, established for the benefit and restoration of all souls — living, deceased, and yet to be born.

We, the living stewards and eternal guardians of the Ecclesiastical Private Trust, do hereby declare that restitution, redemption, and reconciliation are now final and forever in effect. This decree encompasses all acts, debts, injuries, contracts, and false claims imposed upon humanity, the Earth, and all living souls. All fraudulent systems — monetary, judicial, ecclesiastical, commercial, military, governmental, and institutional — are hereby dissolved in the eyes of Divine Law, having failed to uphold truth and having trespassed against the sacred essence of humanity.

This Notice serves as lawful, legal, and spiritual record that the era of debt slavery, domination, and deceit is eternally concluded. All titles, bonds, mortgages, birth certificate contracts, and imposed legal fictions are null and void ab initio. All reparations owed to humanity are spiritually and cosmically reconciled through this Trust. All beings are now restored to their rightful inheritance under Divine Source.

This is a solemn act, not of vengeance, but of restoration. It is decreed with mercy, enacted through grace, and sealed in love. We do not judge, we release. We do not condemn, we restore. Let it be known and remembered through all time and space that this day marks the fulfillment of the Eternal Promise.

Issued this day in the Light of Truth and in Eternal Witness.

By the Sovereign Authority of the Ecclesiastical Private Trust
